READ SAFETY DIRECTIONS BEFORE OPENING OR USING

Bifenthrin
Granular Insecticide

ACTIVE CONSTITUENT: 2 g/kg BIFENTHRIN

GROUP 3A INSECTICIDE

For the control of certain pests in turf; ants, fleas and ticks in external surrounds of buildings and structures as specified in the Directions for Use Table.

IMPORTANT: READ THE ATTACHED LEAFLET BEFORE USE

ACCENSI Pty Ltd
ABN 94 079 875 184
Lot 96 Potassium Street, Narangba Qld 4504 Ph: (07) 3897 2000

Contents 2 kg

COUNTRY BIFENTHRIN GRANULAR FRONT LABEL 2kg-15kg
SIZE: 140MM WIDE X 130MM
Filename: 62233_42679_2kg_15kg _LABEL_MPL_2

SCALE SIZE: PRINT AT 100% ON A4 PAPER
STORAGE AND DISPOSAL
Store in the closed, original container in a dry, cool, well ventilated area out of direct sunlight.
Spillage – dispose of waste as indicated below or according to the Australian Standard AS 2507 – Storage and Handling of Pesticides.
DO NOT allow spilled product to enter sewers, drains, creeks, or any other waterways.
Shake containers empty onto treatment site.
Puncture or shred and bury empty containers in a local authority landfill.
If no landfill is available, bury containers below 500 mm in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots. Empty containers should not be burnt.

SAFETY DIRECTIONS
Wash hands after use.

FIRST AID
If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 13 11 26.

MATERIAL SAFETY DATA SHEET
Additional information is listed in the Material Safety Data Sheet which can be obtained from the supplier.

CONDITIONS OF SALE: The use of COUNTRY Bifenthrin Granular Insecticide being beyond the control of the manufacturer no warranty expressed or implied is given by ACCENSI Pty Ltd regarding its suitability, fitness or efficiency for any purpose for which it is used by the buyer, whether in accordance with the directions or not and ACCENSI Pty Ltd accepts no responsibility for any consequence whatsoever resulting from the use of this product.

**NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.**
**GENERAL INSTRUCTIONS**

For optimum results use a properly calibrated granule applicator.

**INSECTICIDE RESISTANCE WARNING**

For insecticide resistance management COUNTRY Bifenthrin Granular Insecticide is a Group 3A insecticide. Some naturally occurring insect biotypes resistant to COUNTRY Bifenthrin Granular Insecticide and other Group 3A insecticides may exist through normal genetic variability in any insect population. The resistant individuals can eventually dominate the insect population if COUNTRY Bifenthrin Granular Insecticide or other 3A insecticides are used repeatedly. The effectiveness of COUNTRY Bifenthrin Granular Insecticide on resistant individuals could be significantly reduced.

Since occurrence of resistant individuals is difficult to detect prior to use, ACCENSI Pty Ltd accepts no liability for any losses that may result from the failure of COUNTRY Bifenthrin Granular Insecticide to control resistant insects. COUNTRY Bifenthrin Granular Insecticide may be subject to specific resistance management strategies. For further information contact your local supplier or ACCENSI Pty Ltd representative or local agricultural department agronomist.

**PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND THE ENVIRONMENT**

Dangerous to fish and aquatic organisms. DO NOT contaminate dams, rivers, streams, waterways or drains with product or the used container.

**PROTECTION OF PETS AND LIVESTOCK**

Before treatment, remove animals and pets from the areas to be treated. Cover or remove any open food and water containers. Keep away from domestic pets, especially dogs. If dogs eat the granules, contact your veterinary surgeon immediately. Use with caution around pets – ensure product is dispersed i.e swept in between pavers, cracks and crevices and dispersed into soil and/or lawn. Cover or remove fishponds, aquariums etc before application. DO NOT apply COUNTRY Bifenthrin Granular Insecticide within 2 meters of a fishpond or water containing fish or aquatic species.

**STORAGE AND DISPOSAL**

Store in the closed, original container in a dry, cool, well ventilated area out of direct sunlight.

Spillage – dispose of waste as indicated below or according to the Australian Standard AS 2507 – Storage and Handling of Pesticides.

DO NOT allow spilled product to enter sewers, drains, creeks, or any other waterways.

Shake containers empty onto treatment site. Puncture or shred and bury empty containers in a local authority landfill. If no landfill is available, bury containers below 500 mm in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots. Empty containers should not be burnt.

**SAFETY DIRECTIONS**

Wash hands after use.

**FIRST AID**

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 13 11 26.

**MATERIAL SAFETY DATA SHEET**

Additional information is listed in the Material Safety Data Sheet which can be obtained from the supplier.

**CONDITIONS OF SALE:** The use of COUNTRY Bifenthrin Granular Insecticide being beyond the control of the manufacturer no warranty expressed or implied is given by ACCENSI Pty Ltd regarding its suitability, fitness or efficiency for any purpose for which it is used by the buyer, whether in accordance with the directions or not and ACCENSI Pty Ltd accepts no responsibility for any consequence whatsoever resulting from the use of this product.
